

ADVISORY SUPPORT PLAN (ASP)

End-of-year Review

**Holy Cross Lutheran School (2010 PLP-R/W School) - NET Scheme No. 210
September 2014 to July 2015**

Comments

The school continues to implement PLP-R/W programme successfully in Primary 1 and 2.

The school is highly committed to the programme and has two teachers and a NET teaching P1 and P2 classes. The English Room will move to a bigger room from 2015-16 to accommodate a reading and activity corner and resources for PLP-R/W.

The school has also hired an ELTA for KS2. The AT will be supporting the school with the trialling of the Space Town resources in the next academic year. A PD will also be arranged for the staff to brief them about the programme.
